We hereby announce that in the third quarter of the year ending March 31, 2025, we recorded provision for product warranty reserve.

1. Regarding recording of provision for product warranty reserve

We and T.RAD Qingdao CO., LTD., our consolidated subsidiary, have experienced quality defects in some of the heat exchangers we manufactured and sold in the past. Along with this, an estimate of 1,450 million yen for the related costs was included in sales and general administration expenses as a provision for product warranty reserve.

2. Effect to the financial results

The above provision for product warranty reserve is reflected in the "Summary of Consolidated Financial Results for the 3rd Quarter of Fiscal Year Ending March 31, 2025(J-GAAP)" announced today.
